4. ABOUT THIS POLICY

We agree to provide You with insurance in accordance with the terms, Conditions of Cover and exclusions of the Policy based on the information You have provided or was provided on Your behalf to Us subject to payment of the Premium required. The Policy consists of this document, the Schedule and any endorsements affixed (or intended to be affixed) to it and the Application. All of them should be read as if they were one document. This Policy is subject to Australian law and practice.

Your schedule of insurance

Your **schedule** of insurance contains important details about your policy such as the period of insurance, your premium, what cover options and excesses will apply, and any changes to the policy wording.

What makes up Your premium

Your premium is determined by a number of factors and of course, the higher the risk is, the higher the premium. Your premium also includes amounts that we are required to pay, such as government charges, taxes or levies (e.g. stamp duty and GST) that apply to your policy. You will find these amounts on your **schedule** of insurance.

5. IMPORTANT INFORMATION ABOUT THIS POLICY WORDING AND PRODUCT DISCLOSURE STATEMENT

This document is a PDS and is also Our insurance Policy. This document contains important information required under the *Corporations Act 2001 (Cth)* (the Act) and has been prepared to assist You in understanding your policy and making an informed choice about Your insurance requirements. It is up to You to choose the cover You need.

It is important that You carefully read and understand this document before making a decision. Other documents may form part of Our Policy Wording and PDS and if they do, we will tell You in the relevant document.

In return for You paying Us a premium, as set out in Section 7, We insure You for the Events described in the Policy Wording and PDS, subject to the terms, conditions and exclusions of Your Policy. Please keep this document, Your Policy Schedule and any other documents that We tell You form part of Your Policy in a safe place in case You need to refer to them in the future. Please check these documents to make sure all the information in them is correct.

Please let Us know straight away if any alterations are needed or if You change Your address or payment details. For certain types of cover under the Policy, we will require You to provide receipts and other documentary evidence to Us before We pay a claim.

Claims Made Basis

This Policy operates on a claim made and notified basis. This means that the Policy provides cover for Claims first made and notified during the policy period, subject to the terms and conditions of the Policy.

The Policy does not provide cover in relation to Known Facts (as set out in the relevant exclusion) nor in relation to any actual or alleged act, error, omission or event before the retroactive date (if any) specified in the schedule.

Where you give notice in writing to us of any facts that might give rise to a Claim against you as soon as reasonably practicable after you become aware of those facts but before the expiry of the policy period, you may have rights under Section 40(3) of the *Insurance Contracts Act 1984* to be indemnified in respect of any claim subsequently made against you arising from those facts notwithstanding that the Claim is made after the expiry of the policy period. Those rights are in addition to any rights that you may have under the Policy.

Check Your documents

It's important that you check all the details on the documents we send you. If you notice an error or if you have a question, please contact us at www.agileunderwriting.com/contact. If you find you need to change the cover for whatever reason, get in contact with us.

General Insurance Code of Practice

Lloyd's is a signatory to the General Insurance Code of Practice (the Code), and AGILE supports the Code. The Code sets out minimum standards that We will uphold in respect of products and services covered by the Code. Further information about the Code is available at www.codeofpractice.com.au and on request.

6. YOUR DUTY OF DISCLOSURE

What You must tell Us

We will ask You various questions when You apply for cover. When You answer those questions, you must be honest and You have a duty under law to tell Us anything known to You, and which a reasonable person in the circumstances, would include in answer to the question. We will use the answers in deciding whether to insure You, and anyone else to be insured under the Policy, and on what terms. You have this same duty to disclose those matters to Us before You renew, extend, vary or reinstate Your Policy.

If You do not tell Us

If You do not answer Our questions in this way, we may reduce Our liability under contract in respect of a claim or refuse to pay a claim, or cancel the Policy. If You answer Our questions fraudulently, we may refuse to pay a claim and treat the Policy as never having commenced.

3.3 Severability and Non-imputation

If **Underwriters** agree to insure more than one party under the Policy, then any nondisclosure, misrepresentation or other failure to comply with any terms or conditions of the Policy by one party shall not prejudice the rights of the remaining parties to indemnity, provided that the remaining parties had no prior knowledge (or should not reasonably have had prior knowledge) of such non-disclosure, misrepresentation or other failure to comply. The onus of proving that this Extension should apply shall be upon the **Insured**.
